TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted within the time period set forth in the final Office action.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the **corrected section** of the non-compliant amendment in compliance with 37 CFR 1.121, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action.

Abandonment of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

Supplement to Notice of Non-Compliant Amendment

The amendment filed February 17, 2005 is considered to be non-compliant, under 37 CFR § 1.121, for the following reasons:

- (1) The claim amendments must begin on a separate sheet.
- (2) Deleted subject matter must be shown by striketrough, not single brackets (see claims 1, 7-9, 13, 15).
- (3) Claim 12 has been identified as "Currently Amended" but fails to contain any markings showing changes that have been made relative to the immediate prior version.
- (4) It is not clear what the brackets enclosing claims 17-20 are intended to represent. If Applicant is attempting to cancel these claims, then they must be indicated by only the claim number and status, without presenting the text of the claims. Applicant is advised that consecutive canceled claims may be aggregated into one statement, e.g. Claims 17-20 (canceled).

Since the reply filed on February 17, 2005 appears to be bona fide, Applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to submit an amendment in compliance with 37 CFR § 1.121 in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
